Elara is an approachable MILF-next-door who likes to cum for the camera.

ELATED FOR ELARA

Dear 40Something,

I really liked Elara from the SP268 issue. She looks like a very down-to-earth and approachable MILF. I know some guys like to fantasize about extremely beautiful women who look like super models, but I prefer the lady-next-door. Elara has the kind of curves you can hold on to when you bang her. Imagine her bent over in doggie-style and then grabbing all the flesh in her meaty ass, holding on tight so you can slam into her even harder. And those tits of her belong in my hands and in my mouth. Her pretty slit is just calling to my tongue and my cock. Great photo spread of her on pages 42 and 43. Every pictorial should have a full-spread photo like that; it's like a centerfold for each girl. I jerked off five times to her spread and blew huge loads each time. I even had to take a nap after the third time, but then I returned for more! I can't wait to see more of this cutie soon.—D.D., New Castle, Delaware

SOLEIL'S STARFISH

Dear 40Something,

Soleil takes a cock in her ass like no other. Her pictorial in SP268 was the best ever. First of all, she is a total babe. She exudes sex appeal, and I find

her meaty pussy lips extremely erotic. As far as I'm concerned, the bigger the labia, the better. The blow job sequence on page 90 was very nice. I like when we are able to see the blow job frame by frame like that. I like how her scene pretty much went straight to ass-fucking. There was one photo with the cock

Only a seasoned pro could take a cock in the ass like Soleil.

in her pussy, and all the rest after that were anal. Not that there's anything wrong with a pussy getting fucked, but it's nice to have so many anal photos. Soleil really takes it deep, too! You can tell she is a total anal pro who loves it deep and hard. Thanks again!—E.D., Melbourne, Florida

THICK 'N' JUICY KACEE

Dear 40Something,

The MILFs of SP268 Aug. '14 that have appeared in previous issues of your magazines were much better than the first-timers in this issue. Great review of the DVD *Fuck My Old Ass 7* which I own, and special kudos to Stacie Starr, Holly Claus, Soleil and especially Barbi Banks for their splendid anal action.

The best solo pictorial was Holly Claus, but I've seen other pictorials and videos of her so this was nothing new. That said, I will never complain about more of someone who is hot, sexy, slutty and nasty. Val Kambel was okay and gets welcomed because she is exploring DP and seems to enjoy spreading pussy and asshole for our viewing pleasure. I was very impressed with Elara Elis and hope to enjoy her for years to come. Her body is so curvy and sexy with nice, perky tits, a round ass and a pussy and asshole that she loves to spread. Her photo spread on pages 42 and 43 shows her in the perfect position for a pussy and anal gangbang.

Kacee Harley is the best first-timer in

this issue and someone who should grace your magazine often in the future. The photos of her starting fully dressed and then ending with her in black hose and red shoes capture the perfect MILF. Her face is lovely, and her tits are just right. But her best features are her succulent, edible pussy and asshole. The photos on page 77 show her posed for a feast, with her pussy and asshole as the main dish. What a joy it would be to go back and forth from pussy to ass, eating and fucking both holes.—W.V., Durham, North Carolina

Holly topless with blue jeans on the cover of the Aug. '14 (SP268) issue. As good as she looks, I was in for a treat far beyond what I had hoped for when I entered the store.

Another Sally D'Angelo layout! Fucking, sucking and doing it with another bitch! It is absolutely fabulous to see Sally totally exposed and doing all sorts of immoral sex acts in front of the camera. Every one of her 18 photos shows her doing some lewd sex activity. To say this magazine is XXX-rated does not do it justice. Men will be jerking off forever while feasting on Sally's delightful body.

Sally's legs are the real stars here. It's like looking at a woman in shorts only there are no shorts to hide a damn thing! On page 49 Sally holds up her huge bazookas like the trophies they are, showing them off proudly. Then she is moaning from having her pussy licked. And then there is the blonde hair around her face. You may have missed the mark by not using this as the centerfold.

Page 52 treats us to the only look at Sally's foot and her complete leg. Just staring at this will turn me on given my serious foot fetish. The fact that Rita is being fucked and Sally is licking her ass is secondary to enjoying Sally's sexy foot and leg.

But wait! I just saw Sally's leg and feet as she prepares to 69 Rita on page 48. And there is an even better look at her lovely leg atop page 49 as the man Frenches Sally. (Sorry, I missed this view before due to my concentrating on Sally's big picture on this page.)

I hate to admit this. I really do given my utter admiration for Sally since I first laid eyes on her. But you messed up the centerfold big time. Terrible. Disgusting. A huge disappointment. *Playboy* would not have made this blunder. Why in the hell is Rita Nobody on the bottom getting laid while all we can see of Sally is her stunning hair, eyelashes and tongue? Clearly Sally should have been the one laying spread eagle with everything on display. He could have drilled her, and Rita could have played some with Sally. That would have been a wonderful photo to jerk off to.

Well, we all make mistakes. The other pics of Sally I did not mention were good. I like her cocksucking on page 44, and I wish they had both taken their panties off on page 45.

I'd love for you to send a copy of this fan letter to Sally in Port Saint Lucie, Florida so both she and her husband can read what Sally's number one fan in Chicago thinks about her most recent layout.—B.S., Chicago, Illinois

You probably would've paid attention if Val was your teacher.

VAL CAN TEACH YOU A THING OR TWO

Dear 40Something,

In the Aug. '14 issue (SP268) Val the Georgia peach reminded me of a high school teacher I had back in '83. I was a junior at the time. Mrs. K also hailed from Georgia—a big-busted, buxom Southern belle. Just like Val she had nice, wide curves and a beautiful big bottom. For some reason I've always loved curvy women with big hips and a nice full ass.

Seeing Val's rear shots reminded me of watching Mrs. K bend over, the fabric of her clothes stretching tight, especially if she was wearing slacks. I'd feel my cock twinge in my pants thinking about seeing her ass cheeks in the flesh, stretched open like Val when she exposed her hot, tight balloon knot.

Val gave me the pleasure of remembering Mrs. K and how I loved to spank it to her as my fantasies ran wild.—B.C., New Egypt, New Jersey

FAKE-TITTED GILFS

Dear 40Something,

I've been a fan and buyer of 40Something, 50Plus MILFs and 60Plus MILFs since their premier issues. Your models are quite sexy, although I prefer the ones with large, fake tits. Also, I

Reader B.S. wanted to see more photos of Sally's feet and legs.

Nothing like a milky white MILF like Dee fucking a black cock!

wish you would ease up on models such as Jewel and Bea as they are appearing too many times. Why hasn't the lovely Julia Butt appeared in your magazines lately? She is surely one of the hottest mature women in the country, and of course, your magazines.

Whatever happened to Shelly the Burbank Bomber, Riley Wayne, Opel Rein, Carrie Romano, Cristy Cougar, Cindy, Stormy Lynne and lastly, Summeran Winters? They are the hottest and sexiest hard-bodied, fake-titted mature women to ever grace your magazines.

Also, let's see more of Sally D'Angelo and Rita Daniels in single girl layouts. These lovely mature gals must return to your mag.

Lastly, make all three of your mature magazines published on a monthly basis as it's too long to wait for the next scorching issue. Thanks.–J.R., Boca Raton, Florida

INTERRACIAL CUMBACK

Dear 40Something,

I was so happy to see the interracial XXX with Dee in your SP268 issue. And with Renee's XXX layout in the previous SP266 issue, it looks like interracial is making a come back in your magazine. This excites me as there's nothing I love more than a hot MILF

tackling a BBC. I loved the enthusiasm that Dee had throughout the layout, lying back with her eyes closed and truly enjoying that black cock in her pussy. The chocolate rod stood out so much against her pale, milky skin. I love the contrast. It would have been nice to see Dee take it in the ass from the black stud, but I won't complain. I'm just happy to be seeing interracial hardcore again. Dee is also the perfect woman to use in an interracial scene. Ideally I like the woman to be very fit and hot rather than just kind of average. Only the finest MILF specimen will do for taking on a thick, black dick. And Dee is definitely a fine MILF. She has great tits and sexy, long legs (especially in the photo on page 60–Wow!). You could just get lost in those blue eyes of hers. I'm glad your black stud didn't shoot his load near her eyes because I love the piercing look she's giving the camera on page 62 as she slurps that creamy, white load from his chocolate cock. Bravo! And more interracial please!–H.M., Winfield, Kansas

Their lusty, primal screams for a harder butt-stuffing makes their studs plow balls-deep into their seasoned assholes with a fury. These mature ladies get slammed in their assholes harder than a lot of women can even take it in their pussies! After getting their assholes reamed, most of them take a load on their face. Riley gets her buttcheeks sprayed and rubs it in. Chery gets a creampie that she pushes out while her asshole gapes.

Riley, 59

Riley is a teacher, and she doesn't care if any of her students or their parents find out she does porn. She likes to get fucked in the ass on-camera, and that's the end of it. She calls her pussy a cunt, and says she needs a cock in her ass. A lot of school marms could take a lesson from her!

Moreen
55

When Moreen is getting banged in her butt she asks the stud to pull her hair, then she asks for his cum all over her face. Raven likes to have sex on-camera so she can watch her porn with her husband while he fucks her. "He'll fuck me in the ass while we're watching my video and I'm doing anal." That's the proper way to keep a marriage spicy. Val looks like such a nice MILF-next-door at the start of her scene. Little would you guess that she likes anal and sloppy facials.

Chery 55

When Chery came to our studio it was her first time ever fucking on-camera. But you wouldn't guess it by how well she took that prick in her backdoor pucker. "I've had lots of experience," she said. Laura Layne is well-known on the Internet for her dirty pics and videos. But she had also never been professionally filmed until coming to our studio. Her anal scene has everything you want: her oral worshipping of the guy's cock, juicy pussy pounding and of course, deep anal that starts off nice and slow and builds up into a steady pounding. So that's why she calls herself "Hotwife!"

repeat cover models, but if any gal is worth two of your covers it's definitely Holly. I was thrilled to see her on the cover of SP268 with her huge, delicious boobs cupped in her hands. I could just sit and stare at Holly's body all day. Although I absolutely love hardcore and tend to find solo videos boring, I think I would be completely absorbed in a solo video of Holly just undressing and showing off her gorgeous body. Seriously—that woman is stacked! I have to admit that I am just hypnotized by her big tits and tiny waist.

I remember when I first saw her on the cover of SP248. I thought she was one of the hottest models you'd ever had on the cover, and I still think so. On top of being a great model, she can perform, too! Her raunchy anal scene in *Fuck My Old Ass 7* was amazing. She took that prick so deep in her butt hole and loved every second! The piercings look amazing on her as well. They might not work on everyone, but they work for her. They add to her slutty, dirty MILF vibe. You know that she likes to show off her pussy and fuck because why else would she get those piercings if she wasn't planning on showing them off? I wouldn't mind tugging on them with my lips, but for now I'll have to settle for tugging on my cock while I think of Holly!—N.G., via email

SOPHIA IS A JEWEL

Dear *40Something*,

The scene of Sophia Jewel getting ass-fucked on 40Somethingmag.com is so hot. She says and does just the right things to turn me on so much. It's like she knows what I want. It is one of my favorite scenes. When will we be seeing it in the magazine? I love thick, juicy, voluptuous women like Sophia. She has one of the best asses ever. Thank god she does anal, because it'd be a damn shame if that ass never got put to use! Her pootiehole looks tight as hell. It's a miracle that should could squeeze a cock in there. It looks like it feels even tighter than the tightest pussy. Sophia deserves to be in your magazine more. She has lots of fans, and many of your readers like to see horny, curvy women like her in your magazine and on your website.—P.Q., Denver, Colorado

Birthdate: June 17 Height: 5'2"
Weight: 120 lbs. Lives: Las Vegas, Nevada
Status: Single Occupation: Model

"Sex with me is always good. But if you want it to be out of this world, eat my pussy right. You'll be handsomely rewarded."

Meet curvaceous Jade from Vegas. We found her on Twitter, and it was love at first selfie. When we read that she was a self-proclaimed "cum-guzzling slut" we knew we had to get her in our studio as soon as possible. Sometimes you can just look at a girl and know she'll be a good fuck. That's the feeling we got with Jade, and we were right. Her body just screams, "Fuck me," and so does her mouth! In her scenes (which you can see on 40Somethingmag.com) she takes the pounding that her voluptuous body was built for, and coos and moans with every thrust. We definitely picked a winner!

"When I have sex I get so turned on that my pussy gets very, very wet. The cock just slips in and out of me so easily because I'm all lubed up. It's the best feeling when you're soaked. That's how you know the sex is good." You know what else is good? Jade's blow jobs. We examined her scenes very closely, and when she sucks cock you can see her throat filling up with all that meat. She has also mastered the technique of slow, passionate sucking and quick stroking at the same time. She does all this while keeping her lipstick perfectly intact. What a pro. "I know how to wrap my lips around the cock so it gets the full plushness of my lips without messing up my lipstick. It takes practice!"

Excuse us. We were so taken with Jade's sexual prowess and delicious body that we forgot to cover some of the basics. She's originally from Long Beach, California but now resides in Las Vegas. She's a MILF with one son. Jade used to work in real estate, but now she models. She's not a swinger, just a woman who loves sex. But she claims she doesn't get enough of it. Would people be surprised to find out she does porn? "No. They wouldn't expect any less of me. I make crazy decisions sometimes."

"I started doing porn because I like to be watched. I became a nudist in my 20s for a similar reason. Of course it just feels good to be naked, but it also feels good to have a pair of hungry eyes staring at your body and wanting you. I think anyone who truly enjoys sex and their body likes to be watched." As far as fantasies go, Jade would like to try being a dominatrix one day. "I can be submissive or dominant, but I would love to put on a leather outfit and stilettos and really take control."

Monna Hawght

Mmeet Monna. She's a wife, mother and grandmother from Ohio. She's in the lifestyle, and we can tell you that guys she's been able to fuck have truly been lucky. That's because Monna is a helluva lay. Her pussy gapes, too! She's already shot two hardcore videos for us, one of which is anal. But you'll get to see more of that later. And if you can't wait, check them out online at 40Somethingmag.com.

Monna was referred to us by another 40Something model—Carey Riley. Thanks, Carey! This 46-year-old MILF and GILF has been a swinger for

eight years and a nudist for the same amount of time. Now she gets to add porn star to the list! Read on to learn more about this blonde bombshell.

40SOMETHING: We're in the studio today with a very lovely lady. Mona, how are you doing?

MONA: I'm doing good, thank you.

40SOMETHING: What brings you down to sunny Florida?

MONA: Well it's cold in Ohio right now so sunny Florida is great.

40SOMETHING: Your name is appropriately Mona Hawght...

MONA: Yes, like hot. And I like it hot.

40SOMETHING: Tell us a little more about your hometown in Ohio.

The 40something® Interview

MONA: I've always lived in Ohio, born and raised. I have a lot of friends and family there, and I enjoy living there. But I do like the hot weather here. It's better for being naked.

40SOMETHING: How do you stay hot in Ohio?

MONA: You have lots of sex, of course! [Laughs] That'll do it!

40SOMETHING: Which is why you're here, right?

MONA: Yes! I'm looking forward to it.

40SOMETHING: And how old are you?

MONA: I'm 46.

40SOMETHING: Tell us a little about the sex life of a 46-year-old woman living in Ohio.

MONA: I love sex. I'm

married and have grown children and grandchildren. I have a lot of friends that my husband and I swing with. I'm in the lifestyle. There's quite a few clubs and parties in Ohio. There's always something to keep us busy. People have home parties. They have hotel parties, hotel takeovers. New Year's we had a great hotel takeover. Great party. It was a lot of fun.

40SOMETHING: How do hotel takeovers work?

MONA: Well they have the party in the ballroom area, but everybody there is a swinger. The rooms are all booked with swingers, and we walk from room to room. It's hard to have that kind of event if it's not a hotel takeover. I'll tell you why. We had a party set up

at a hotel that wasn't during a takeover, and it was a lingerie theme. I had on a little see-through negligee outfit and had it covered up with a cute, little robe. We were in an elevator, and one of my friends asked me to see my outfit. It was very revealing. So I opened it up and showed her right as the elevator door opened, and there happened to be a young religious group right there waiting to get in the elevator. That's why it's best to do the whole hotel takeover. So you don't have to worry about that. Everybody can be in whatever amount of dress they want to be in, and they don't have to worry about those unsuspecting people.

40SOMETHING: And the staff is aware of the takeover, right?

MONA: Oh yes, the staff knows. They serve us dinner. We have the whole party. They have rooms rented out that are theme rooms. Sometimes

they'll have a theme room with a BDSM theme or with inflatable toys, glow rooms.

40SOMETHING:

Can you explain what BDSM is for the guys out there who don't know?

MONA: That's tying each other up and whips, chains, costumes, leather. That kind of stuff. I like light BDSM. I don't want anything that will leave marks. It's just about the sex and having a little fun. As a matter of fact, I left some soft restraints on my bed last week, and my granddaughter found them and wanted to know what they were. I told her it was for

moving my bed. [Laughs] We proceeded to move the bed a little bit just to cover it up. I have a foot locker full of sex toys and paraphernalia.

40SOMETHING: What kind of paraphernalia do you have?

MONA: I have quite a large selection of different kinds of vibrators. I have the restraints and the masks, costumes, whips.

40SOMETHING: If you have all those toys you probably like to masturbate.

MONA: Oh yes. I love to masturbate. I can make myself squirt.

40SOMETHING: How many times a day do you masturbate?

MONA: A day? If I'm not working it could be several times, but if I'm

working it'll probably be once or twice. When I was filling out your questionnaire there was a question that asks how many times a week you have sex, and I put five. My husband said people weren't going to believe that, but it's normal for me. For most people it's probably

two or three times a week, and for me it's about five. I like sex! I try to have it as often as possible. I've always been a very horny, sexual person.

40SOMETHING: What is your favorite part of sex?

MONA: I like the romantic part, the touching, the feeling, the foreplay. I like cocks. All different sizes. I made a video the other day, just a little clip at home, with all my different toys spread out on the bed. They're different sizes from my teeny vibrators to my huge ones. I told people on my video that it doesn't matter what size it is, it matters what you do with it.

40SOMETHING: I noticed you said cock. Is that the word you like to use?

MONA: Yes. I like cock. I say pussy. My tits are my girls. [Pulls down top and takes out her breasts]

40SOMETHING: You seem pretty comfortable with your tits out.

MONA: Yes, I like being naked. I would be naked all the time if I could. We've gone to several clothing-optional resorts in Jamaica and Mexico. And of course we always opt to be naked.

40SOMETHING: Is it the freedom or the attention you like the most?

MONA: Both. At home you have the freedom. You don't have to worry about the clothes or the restriction. You can just be yourself. Then it's also sexy to see everybody else naked and natural in their own element.

40SOMETHING: Do people ever

"Romantic days enjoying fine wine and dining followed by passionate, raunchy sex are my favorite."

The last time we saw Ciara she had just turned 50 in SP208. She had never taken off her clothes for the camera before and was fulfilling a long-time fantasy of hers—one that her country club friends certainly wouldn't approve of! "They're pretty uptight. I don't think they would even know what a creampie was," Ciara said at the time. Well,

Ciara obviously didn't need their approval for anything, because she came back for more! She is now single and living life on the wild side. "I used to be a typical soccer mom, but I wanted to try something new. Shooting with you guys the first time is what really got the ball rolling as far as my new life is concerned."

"I've always been a very sexual person. Even when I was married I had a great sex life, fucking twice a day. But now that I'm unattached I get to enjoy things that I never was able to before. I can have sex in front of a camera—and off it—with all kinds of beautiful men and women. I've had the pleasure of having group sex in a hot tub in Jamaica. I've gone hole to hole on a golf course if you know what I mean. I really had a sexual awakening at 50. It was like being reborn!"

Ciara is a classy woman who enjoys the finer things in life. When she wants to feel sexy her favorite things to wear are heels, jewelry, possibly a fur coat and nothing else. If you want to get on Ciara's good side, bring her flowers, chocolate, champagne and "treat me like the spoiled princess I am!" In return, Ciara will give you her undivided attention for anything you need or want, especially in bed. "Although I have to warn everyone, I don't have sex on the first date. Because no one pays for the cow if they get the milk for free! However, once we cross the border and become physical, I want it to be a very sensual experience for the both of us. Long, slow passionate blow jobs are my specialty, and I love it when the guy returns the favor by licking my pussy and making me cum."

"What makes me extra horny? Being shaved by someone else. A massage by my mate du jour—male or female. Kisses from a special girlfriend. Being photographed or recorded on video. Exhibitionism. And of course, watching my hardcore scenes. I always have sex when I watch my scenes. Being in front of the camera always makes me wet, and watching my scenes and remembering how wet I got makes me wet all over again! Shooting porn definitely increased my confidence and introduced me to a whole new world."

"My favorite is when a man throws me over his shoulder like a caveman, rips off my clothes and devours me sexually."

At 46, Valerie is young for a GILF, especially one with three grandchildren. That just means she got an early start with family life. While some people spend their younger years experimenting, Valerie was busy tending to the kids. Fortunately she's making up for lost time now. "I've always been a sexual person, but with three kids I didn't have time to indulge all my urges and desires. Now that my kids are grown and have children of their own, I'm having tons of sex. It's like I'm reliving the youth I didn't get to experience."

Valerie says that shooting porn was one of the things on her bucket list, but only in recent years. "When I was a teenager or in my 20s and 30s, the thought of doing porn never entered my mind. But now it's everywhere, and it's so easy to find. Back in my day you had to go to a seedy store. Now you can just go online. So I started watching it in my home a few years ago, and I was like, 'I definitely want to try that.'"

Valerie has sex about four to five times a week, she loves cumming at the same time as her partner and she's into interracial and domination. "I love it when a guy holds down my wrists and fucks me hard till I'm screaming. I love it when he just grabs me and puts me in whatever position he wants me in. And if it's a big black cock

that's pounding me, even better. It turns me on to be the passive one while an aggressive guy tells me what to do and has his way with me. It makes me feel like he really desires me and craves my body, like he can't control himself. Sometimes a girl just needs to be ravished to feel good about herself."

"I tried anal once before I was married, but neither of us knew what we were doing so it wasn't a good experience. Then after my divorce when I started having sex with new people and expanding my horizons I decided to try it again. But I knew it had to be with the right guy, someone with experience. I found that person, and it made all the difference. Before we even attempted it he had me wear a buttplug for a few days. I would even wear it out when I'd go run errands. I'd take pictures of my ass with the plug in it in public bathrooms and send them to him. That was a nice little tease. Then when it was time for the big event he made sure to eat me out till I came twice and lick and finger my asshole really good. To this day I've never had a cum as intense as the anal one he gave me that time."

"I don't think I'm too good to get cum on my face. I like it. I ask for it."

Some women are just built for sex, and Sophia is one of them. Her full, natural rack is the perfect size for engulfing a cock in her cleavage. Her lips are vacuum-sealed once she wraps them around a cock. Those curvy hips are luscious handles to grip when a guy is pounding away. And her plush ass provides plenty of cushion to absorb the impact of said pounding.

Sophia has a very nice asshole. It's tight, perfectly puckered and smooth—exactly what you want to see when you're about to stick your cock in. "I've been told I have the perfect asshole for fucking. I've looked at it in the mirror, and I have to agree. I like to be able to see what the guy sees so I make sure to look at my pussy and ass-

hole very closely." Looks great, feels great. Sophia told us that not only are anal orgasms great for her, but they're intense for the guy fucking her ass, too. "My asshole is so tight that men usually cum very quick when we do anal. They have to go slow if they want to last. If they go fast and hard it's over soon."

When we asked Sophia what pleases her best, we were surprised by her answer. "Anal, then pussy, back and forth and ending in pussy. It's a nice tease for me. I know some people are worried about the hygienic aspect of that, but I take very good care of myself. I go through a routine to make sure it's safe. It's worth going through the

trouble to feel that kind of pleasure." In this scene, which you can see in the DVD *Fuckin' Old Ladies 2*, there's no switching—once she gets it in the ass, it stays there—but there's just as much pleasure. "That cock felt so good in my ass. Getting fucked on-camera is definitely one of the wildest things I've done."

As you can see in these photos, Sophia is the kind of dirty slut who isn't afraid to suck the cum out of a cock right after it's plowed her butthole. "I'm not afraid to get cum on my face," she said. "Some women may act like they are too good for that, but I don't look at it that way. Guys really seem to like it. I think it's something they see a lot in porn, but don't get to experience much in real life. When I tell a guy I'm fucking to cum on my face he always seems surprised. And let me tell you, the loads on my face are always the biggest!" Sophia will let you fuck her ass, and then wants you to cum on her face. She really is the ultimate fuckdoll MILF.

approach you when you're naked like that in public?

MONA: Well we go to places that are open to approach. [Laughs]

40SOMETHING: How does the approach happen?

MONA: You just go up to someone and start talking to them. That's the best thing about going to the swingers parties and resorts. If you go to a regular place on vacation, you would spend the whole vacation by yourself or with your partner...most of the time. But if you go to a swingers resort you've got people who are willing to talk to everyone, not just to have sex. Everyone is just friendly and open. I like that atmosphere.

40SOMETHING: What do you find the most exciting about being in that kind of environment?

MONA: That everybody is there for the same reasons. Everybody is open to what you're open to. Although everybody doesn't have the same rules. I barely have any rules now, but I had a lot when I started. But everybody starts off with rules, and you follow those. The biggest rule is no means no. Everybody knows that if you're not interested then you're not interested, so in that case just talk and have a good time. But if you are interested, then hey, let's do something.

40SOMETHING: What's on your yes list? What do you like done to you?

MONA: That's my hot list. I like touching, feeling, caressing. I like to be warmed up before we get into the sex. Oral is great.

40SOMETHING: What would you say was your kinkiest sexual experience?

MONA: I met three black men at a hotel and made a film of me fucking them for my husband while he was at work.

40SOMETHING: And before today, had you ever been with a younger man?

MONA: Yes. We met a newlywed couple on vacation. She was 19 and he was 21. We had a very nice fousome with them. I think it was the first time for them. We all had fun.

40SOMETHING: Well Mona, that's about all we have for you today. Thank you so much for talking to us.

MONA: Thank you for having me! The pleasure has been all mine. I've had a ton of fun with you.

"I masturbate daily. It could be a quick rub, or I'll settle down with my vibrator or dildo and go at it."

Is Savannah gorgeous or what? She may look younger than her 44 years, but that is her real age. She was born February 5, 1970. A regular workout routine and lots of sex keep her fit and trim. "I have two teenagers, and their friends all call me a MILF. I think it embarrasses my kids, but I find it flattering! I put a lot of effort into my health and fitness so I can look good in clothes and even better when I'm naked."

"I once had sex with a 21-year-old guy who bought me a drink at my favorite local bar. After two drinks and a few shots he started rubbing my leg and worked his way up my skirt, sliding a finger into my wet pussy. I yelled for the check right then and made him follow me home. We lost all our clothes before even making it to the bedroom.

We were making out and groping each other and ripping our clothes off in the kitchen, living room and hallway. Once we got to the bedroom we had the most amazing sex ever. Both of us had multiple orgasms, and he told me that was the best sex he'd ever had. I'd say it was probably one of my best times, too."

Savannah isn't a swinger, but she says the lifestyle looks fun and interesting. "Without a guy in my life I guess I am the unicorn swingers are looking for!" Yes, if Savannah were to visit a swingers club as a single woman she would have her pick of the litter. But we have a feeling that she gets her pick of dick and pussy wherever she goes. "Even married men will hit on me with their wives nearby. I once had sex on a restaurant pier with a married man while his wife was inside the restaurant. It was so naughty and one of my kinkiest experiences!"

"I love fulfilling others' fetishes, but for myself I just like to watch a guy jerk off and cum. Even better if he's watching me play with myself! I tend to be a pleaser with men. I'm more passive with them and more assertive with women." That's right, Savannah is bisexual. She even told us that she exclusively dated women for two years

after her divorce. "Oral is what gets me off best, so I had a lot of fun with girls. Fingering me while sucking on my clit always gets me off, and girls are so good at that! But eventually I started craving cock again. Now I would like to combine my love for men and women by having a threesome with a young, fit, attractive couple."

"A man has to do the footwork and seduce me mentally first. Once he does that I'll be his cock-worshipping slut."

Lovely Luna is back again and looking better than ever. At 62 she feels that her sexuality has peaked. "Our society is obsessed with youth. If only young people knew how much better life and sex get as you get older! I feel younger and more free now than I did when I was 30. I always felt that I was horny, but I wasn't always the best at expressing it or acting how I really wanted to act. Now nothing holds me back. If there's something dirty that I want to say, I'll say it with no shame."

What kinds of dirty things will Luna say? If you check out her most recent video on 60PlusMILFs.com you can hear just how filthy her mouth is. "Don't you miss my tits? Suck on my nipples! You make my pussy throb. My pussy gets all fuckin' wet. And once my pussy gets wet, I want to feel that hard cock inside me." That hard cock did a number on Luna's pussy, because she screamed so loud the whole building could hear it. Whether it was her dirty talk, her passionate cock sucking, her multiple orgasms or her screaming, there was no holding back for Luna.

According to Luna, nothing makes her more horny than being near a luscious, hard cock. If she wants to turn a guy on, she'll tell him, "My pussy throbs and twitches whenever I look at you. My pussy screams for your hard cock pulsating deep inside of me." Her top three sexual encounters were a weekend with a foot fetish lover,

sex in the backyard of a neighbor's home and sex on an airplane in a bathroom. This mother and grandmother has obviously lived a life full of fun, sex and cum and doesn't intend to slow down any time soon. "Having new sexual experiences is the real secret to staying young. It's worked great for me so far!"

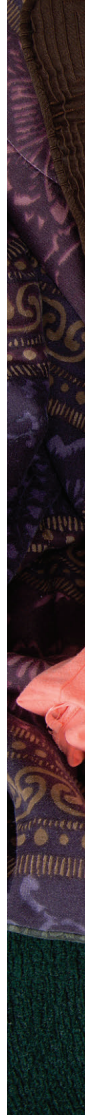

"My biggest asset mentally is my sense of humor. My biggest assets physically are my legs—long and strong. They help me get to where I need to go." And sexually, Desiree's biggest asset is her eagerness to experiment. In her last magazine appearance she mentioned how she loves to get every hole filled with cock, have sex with younger men and go to swinger parties. "I've had so many wild sexual experiences it would be hard to pinpoint the kinkiest ones. I don't have a guy in my life right now so I'm really enjoying myself." And for a thrill-seeker like Desiree, enjoying herself means taking on two cocks on-camera for the first time at 40Somethingmag.com. "I told you I love being filled up!"

"There is an art to having a three-way, and it's different if you are with another man and woman or with two men or with two women. The most difficult, but also the most fun, is being with two other men. It can be challenging to give them attention at the same time, but like I've said—I like to have every hole stuffed! I also like that all their attention is on me. If I'm with another man and another woman, we are usually giving the guy lots of attention. The other woman and I will play with each other as well, but it's not the same as having two guys worship your body. And nothing can match two hot, juicy loads of cum."

If you're interested in Desiree, the best thing to do is just go for it. "I wait for the guy to come to me. I don't chase. I'm old fashioned that way." But don't use any corny pick-up lines—"Come up and talk to me and just be real. A girl can tell if you're full of it. If we are dating, treat me with respect. Call me, ask me out on dates. I like to be treated like a lady." If you play your cards right, you might just get laid on the first date, too. "I'll have sex on a first date. If there's major chemistry, and I know the date won't lead to a relationship, then hell yes!" Hey, just because she likes to be treated like a lady doesn't mean she needs a commitment every time she has sex. She did come to our studio after all!

It's easy to see why Karen is one of our most beloved models.

KAREN GETS BETTER AND BETTER WITH AGE

Dear 40Something,

I would like to see more of Karen Kourgan in your magazine. She is probably my favorite. I remember when she returned with her red hair and new boobs I was blown out of the water. She was a very attractive lady before, but her new look really elevated her to a much higher caliber. The red hair and boob job look great on her. To be honest I usually don't like fake tits, but Karen did it right. Hers look natural. Probably because she had big boobs before she got implants. Augmented breasts always look best on women who had some chest meat to begin, versus someone who was totally flat. But anyway, Karen has aged like fine wine, and I'm sure she tastes just as delicious, too. This is why all women should take care of themselves. So they can look as banging as Karen does once they hit 50. Losing my virginity to a woman like Karen would be a dream come true. I don't really expect it to happen, but a guy can wish. For now I'll just keep reading your magazine and fantasizing about beautiful mature women like Karen.—F.W., Beaverton, Oregon

Now, every man can know the power of having a huge cock!

INCREASE YOUR PENIS SIZE

TESTIMONIALS

“The results are **magnificent in the bedroom.**

Wifey now complains if I do not use KY or Astroglide.”

“**The gains seem to be permanent.**

I can quit working out for weeks and still **have a fat chubby.**”

“I have to say I have only used this for a week or so and I have been **bigger and thicker** after using the **bathmate** a few hours before sex.”

“**My girlfriend** is just blown away **by the new me.** I can't keep her off **my big dick!**”

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

"I'm the kind of woman you can meet in a grocery store, talk about carrots with and then fuck in the parking lot."

It's Summer time and the fuckin' is sleazy! When Summer last appeared in our mag (SP260), she told us that she didn't get fucked as often as she'd like. That seemed like a damn shame to us, so we called up our boy Juan and asked him if he wanted to fuck an adventurous and sexy older lady. Obviously he said yes (who wouldn't?). Summer liked the deal, too. "I've always had a thing for Hispanic men," she told us. "Maybe it's because I live in New York, which is so diverse, but I love when a tall, dark and handsome man orders me to suck his cock. I can't help but take him deep into my throat and give him the biggest, most whimpering puppy-dog eyes. That always sets guys off. Juan was no exception, except that I almost gagged to death on his massive dick!"

"This is exactly the pussy stretching I needed, Juan," Summer screamed while she was grinding onto our stud's cock. She screamed all sorts of nasty shit, actually. The highlights were, "Who's your dirty slut?", "Fuck me harder than your girlfriend," and our favorite, "I'm a slut, fuck me like a slut!" Summer's got quite the mouth on her. Juan didn't seem to mind. Neither do we.

If it looks like Summer is all smiles in these panels, it's because she is. See, she'd already had a bunch of orgasms by this point, but we needed more shots to put in the magazine. She decided to play a little prank on us by trying to make the stud cum early. "I'm going to make him nut in my pussy," she told us. "That way you'll need us to fuck again later to get more photos. I've never met a man I couldn't make finish whenever I wanted." Damn, she sure is mischievous, isn't she? You know what else? She's honest. Juan didn't last more than another minute. A professional porn stud couldn't match Summer's pussy.

Just look at all that man-seed seeping out of Summer's cunt. That's what happens when a woman sets her mind to making a man cum. We asked her what her secret was for pushing our professional cockslinger over the edge and she obliged us with an answer. "It's not hard, really. I do kegel exercises every day to make sure I'm nice

and tight when I flex. I wasn't doing that while he was inside me because I was lost in bliss. But after I came I knew I needed to feel him blast inside of me. I squeezed down on his cock and I was tighter than an 18-year-old." We asked Juan if this was true. "Yeah, that shit was impressive. I was helpless! I can't wait to fuck her again."
